FORWARD

Through fields of yellow
mustard, on paths along
the sea barefooted brown-
robed Fathers made their
way from head to head on
the rosary of coastline
mission settlements.

San Diego de Alcalá,
San Luis Rey de España,
San Juan Capistrano, San
Antonio de Padua--- These
musical names recall those
far away golden days when
the mission symbolized the
new civilization that was
developing along the blue
Pacific.

DEDICATION

The bright golden sun seemed to bake the fertile land with a simple tranquility. Bowled heads silhouetted against bare adobe walls and swarthy Indians laboring in the cool vineyards were, at one time, living parts of California life.

Melodiously named towns and distinctive red tiled architecture is the Spanish heritage we claim today.

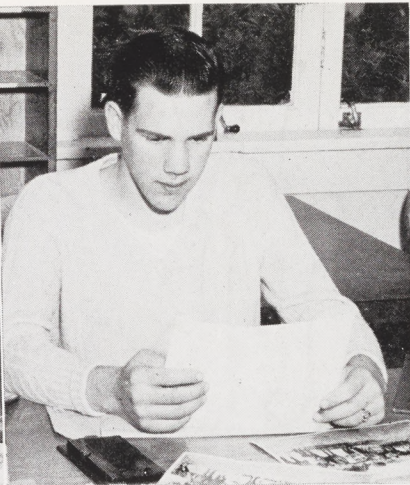

In future years, people like ourselves will be recalling present times. In the hope that we can preserve a small part of our daily life the 1947 Red and Gray is dedicated to the spirit of

REMEMBRANCE.

ADMINISTRATION

Administrators

Genial **J. M. McDonald**, superintendent of the Sweetwater district, holds forth in his trim office on the corner of the campus.

Brisk, efficient, kindly **Frank M. Chase, Jr.**, principal, is the chief cog in Sweetwater's administrative wheel. Sweeties have found they can count on him for help and cooperation.

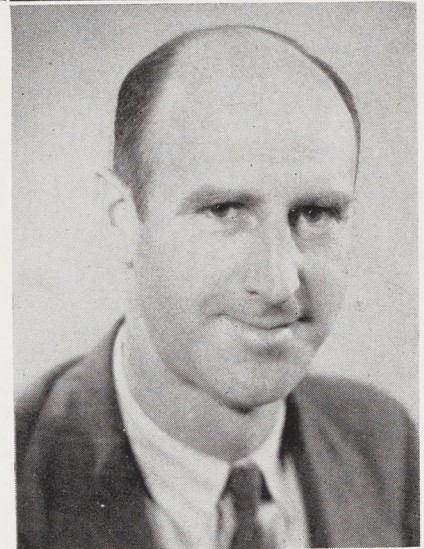

Directing the activities and supervising the problems of the school district are these members of the **Sweetwater District school board**.

They are: Dr. James Norton, chairman; Mr. J. M. McDonald, superintendent; Mr. Wilbur Bradley, Miss Eunice Harris, business manager and secretary of the district; Mrs. Louise Pray, clerk; and Cyrus Buehler. **Not pictured:** Board member Edwin Campbell.

Back at Sweetwater after a year's leave of absence **Miss Isabella Hilditch**, girls' vice principal, did her usual capable job of sponsoring the C.S.F. Smiling, dark-haired **Allan Campbell**, boys' vice principal, reigns in room seven. His good-natured willingness makes him liked by everyone. Remarkable **Mary E. Barnes**, Dean of Girls, does an efficient job of any undertaking. Counseling, directing the senior play, and teaching senior English are only a few of her well-performed duties. Friendly, capable **William Brattmiller** can be found in room six counselling "his boys." The boys' health classes are also his special charge.

Busy, efficient student counsellors take a few moments off from their tasks of programming and aiding Su-hi students with their problems to smile for the camera-man.

They are: Alvin Buby, Mrs. Onna Butts, William Brattmiller, Mrs. Louise Howe, Mrs. Louise Stephens, Miss Isabella Hilditch, Miss Bess Brown, William Harlan. **Not pictured:** John Chamberlain.

Faculty

Presiding over the faculty as head man is **Fred Jeter**, president. His right-hand "mam" is **Miss Bess Brown**, vice-president. **William Brattmiller** serves as elucidative secretary and **Charles Morehouse** is the puller of the purse strings.

Keepers of the records are these efficient and friendly office workers. Joan, who checks the attendance, is known as that gal who gives out those tardy slips. Assistant to Miss Hilditch, Mrs. Seebold is the smiling woman who officiates in the middle office. Chris is the soft-spoken receptionist, and Julia and Mrs. Merrill assist in taking care of the records.

Pictured here, they are Julia Walston, Mrs. Bessie Merrill, Mrs. Grace Seebold, Mrs. Chris Burkholter, Mrs. Joanne Reinaver.

Long Remember

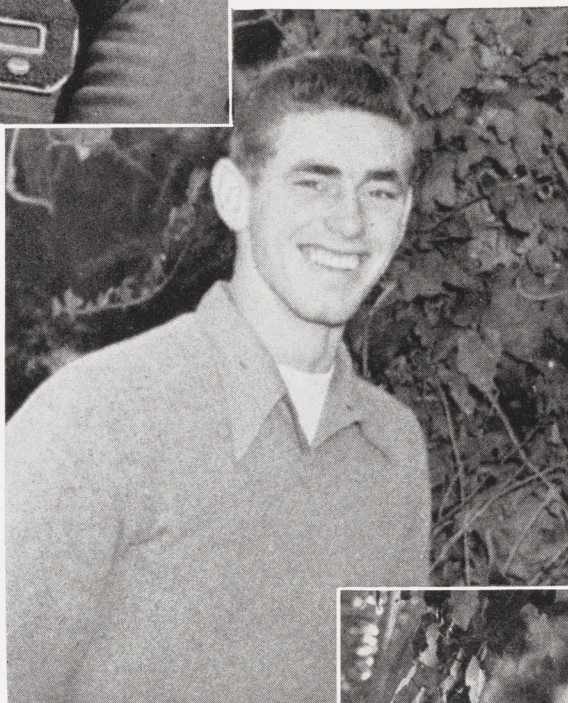

Fall A. S. B. Officers

Blonde, sometimes-shy, **BILL SMYTHE** propped his feet on a desk and efficiently ran the Associated Student Body during the fall semester. While he was A.S.B. prexy, "Beelie" managed to captain the Diablos, hook a first-string position on the all-Metro league team, and play the handsome "Larry" in "Happy Days."

Personality kid **JACK JANTZ**, shown exhibiting his famous grin, played vice-prexy. Holding down positions on the varsity football and A basketball teams, his name goes under the heading "assets" on Su-hi's athletic roster.

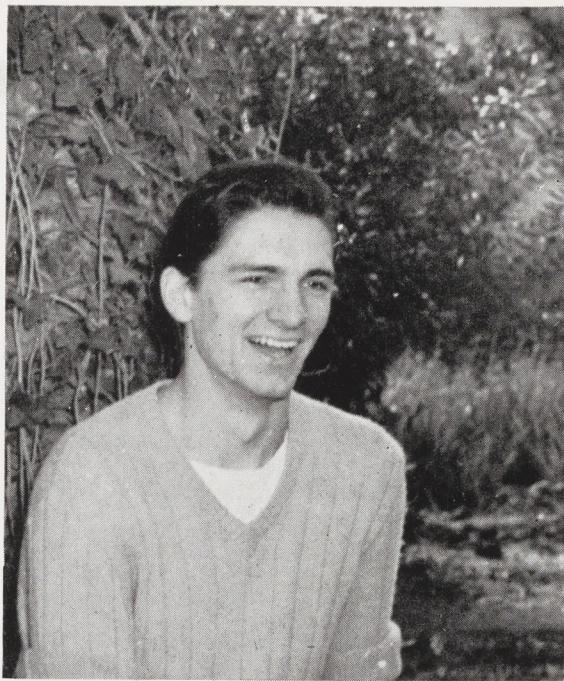

A red-headed gremlin, full of pep and fun, is **PATTI GRIFFIN**. This saucy scribe was one of those "busy people" who had her finger in every activity pie. The Red and Gray, the Su-hi News, and membership in the Su-hi Players were all her dish. Believe it or not, she was a C.S.F.'er too.

Spring A. S. B. Officers

"**BIG DAVE**" **OBERLIN** wielded a mighty gavel which brought the reform of the Red Shirts. Elected in a clever campaign in which he ran on the novel Devilist ticket, Dave added sparkle and wit to assemblies. Dressed in tight, black, 1920 style pants, patent-leather hair-do, and a too-small top hat Dave 'emceed' programs which hit an all-time high in hilarity.

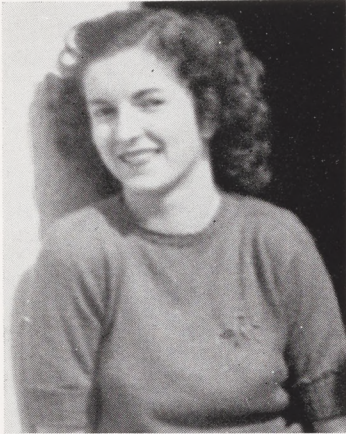

We sometimes think he is the original Red Devil reincarnated, but for all his impishness, Vice President **GENE SIEBEN** is a regular fellow. As a flash on the football field, a member of the Su-hi News staff, and the commander-in-chief of the Red Shirts, Gene shows his diverse talents.

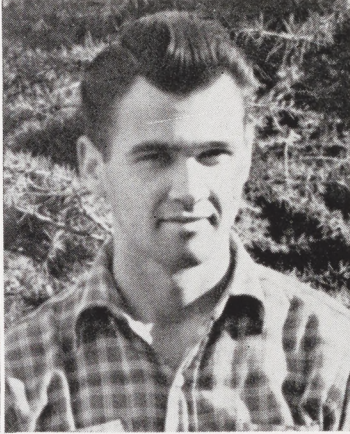

Petite **BETTY JO ROBNETT** was the dynamic Devil who scribbled the legislature meeting minutes and acted as general secretary for the A.S.B. As fall Pep Commissioner and a staunch member of the Red and Gray staff, Betty was a shining example of hard-working vivacity.

Here are our big-wigs! Making a student body government run smoothly is a tremendous task, and these energetic Devils performed their duties with such expert ability that Su-hi has become well known for its outstanding A.S.B. Stand-outs in their particular fields were Frank, who presented many interesting assemblies; hard-working Diane and her capable crew of ticket takers; and mathematically-minded William, who did a bang-up job as our money man. On the social side was a fun-filled progressive dinner in December.

Wielding the power for the Spring semester were these lads and lassies, who, along with the re-elected commissioners from the fall semester, were the brains behind our A.S.B. Elected by the student legislature, all commissioners except Commissioner of Finance and Pep Commissioner hold one-semester terms of office but may be re-elected to their jobs. Not to be forgotten are these efficient few, who, with their get-up-and-go, were typical of the Su-hi Spirit.

Amiable **Alan Campbell** played prexy of the January class with ease and sincerity. Beaming **Bob Hansen** was the man-about-town vice prexy. Combining beauty with brains **Ann** and **Jane** managed to pull down top scholastic ratings throughout their high school years. Their graduation speeches on "Fabrics" and "Home Furnishings" were unusual and entertaining.

January Class History

Another year has come and gone, and as we, the January graduating class of 1947, march into the familiar Spafford Hall on our graduation night, we realize how short this year has been.

It seems like only yesterday that we first came to Sweetwater—a rather scared bunch with a funny, new feeling in the pits of our stomachs. But we gradually became acquainted and realized how much fun high school could be.

Then we were Juniors and acquired the feeling that we were pretty hot stuff. We were no longer lowly Sophomores but had someone lower than we on which to exert our superiority of being "upperclassmen."

Our Junior year was the first year we really began to do things. Some of us became interested in clubs, several took up journalism, others engaged in A.S.B. activities, and still a few others entered into sports.

And then, all too soon and before it really seemed possible, we were seniors.

We were the senior A's—the highest and mightiest class in the school. Our Senior A yells weren't the loudest but they were long and lusty and straight from the heart. We were having a wonderful time, knowing most of the kids and the teachers, feeling that this was "our" school and hoping that it wouldn't be over, all too soon.

Our Senior Play brought out the lighter side of our talents, and our two-night performance on November 21 and 22 showed real ability of the wit and humor variety. Titled "Happy Days," its madcap merriment and hilarious mix-ups could easily have come under the title "Happy Daze."

Of course, we had our ditch day. And to the mountains, ala Pine Valley, we traveled. It was a cold winter's day and visions of snowy fun whirled in our heads. But the weather man had deserted us, and the scattered patches we found were few and far between. The oh-so-sore horseback riders, the tall tales, the millions of pictures, and the "Oh, do you remember when . . ." stories upon our return were proof of a never-to-be-forgotten day.

Our dreamy and delectable prom, given for us by the Senior B's at the Square, was beyond all our fondest dreams. The gals in their swirling, frothy formals with beautiful corsages, the guys with slicked hair and that scrubbed look, the smooth music, all mean pleasant memories of our last regal formal affair.

The fine fun we had at our banquet, the suspense of the Award Assembly, the solemnity and beauty of the Vespers service, and then—GRADUATION.

And now, as we sit upon the stage for the last time, and look out into a sea of familiar faces of friends and teachers, we look back upon our three memorable years at Su-hi. We'll remember Bill and his football playing—Wahler and her energetic ways—Alan and the fine job he did as Senior A prexy, and many, many other things.

As the strains of the beloved "Pomp and Circumstance" echo through the hall, we, the January Class of '47, bid you a fond farewell, Sweetwater.

The largest class ever to graduate from Sweetwater chose these four smiling Sweeties to guide it in senior activities. President **Jim Goss** did a bang-up job of being the fall Speaker of the House. As a staunch member of that renowned quartet he wore a too-big straw hat. Quiet, good-humored **Dave Rusk** was one hunk of man with a combination of brains and brawn. As vice president he did behind-the-scenes work with quiet efficiency. Merry-eyed **Marialice McDonald** did the secretarial-typewriter pounding for the 1947 class. "Mac" was one of those commerce department whizzes. **Lynn Little**, an unusual gal, managed to be demure and sparkling at the same time. Efficiency plus was found in this winsome treasurer.

June Senior B Officers

The main project and accomplishment of this happy trio was that swell and elegant prom at Pacific Square. **Dave Rusk**, as usual, held down his executive job with competent ease. A personable miss was **Mary Ann Getty** who acted as scribe for the senior B class. Always-gleeful **Ruth Bates** did an admirable job as treasurer.

June Class History

"Senior A's . . . rah, rah, rah, . . ." It will be a sad day when we gather, clad in our blue robes and caps with dangling tassles, to march to Spafford Hall and take our places for our last assembly, **our** senior assembly. And as we give this last and heart-felt yell, we realize that our high school days are nearly over, and the friends we've made and the things that have become so familiar and dear to us will soon be put away as memories with our treasured diploma, the faded corsages, and the other articles which are remembrances of our high school days. And, in a few weeks, when we march across the cool green of the picturesque setting of the bowl at twilight to receive our diplomas, our high school career will be a thing of the past.

But, one of the nice things about the past is the memories, and we, who will soon be the '47 graduates, will have many pleasant memories to look back upon.

Memories of when we became bewildered and wondering Sophomores—how big and wonderful those seniors seemed—what excitement it was to get out of classes for the Friday afternoon football game—how good we felt at the carnival when we saw our band go by and we sighed, "that's our school!"—how we enjoyed the Friday night dances with Dickie and his famous "Moonglow"—how proud we were of Sweetwater and how we looked forward to becoming a Junior, and then a Senior.

And then memories of that Junior year that passed all too quickly—remembering the clubs we joined, the fun of a formal dance, how early 7:45 seemed, staying after school for A.S.B. work or Su-hi News copy—the Varieties, what fun we had in that crazy skit—how hard we worked on our term paper for history, the knowledge we gained and the inspiration we received from our teachers.

And then, we will always save a particular spot in our memory for remembrances of our senior year. Memories of how different it seemed to be the "big shots," to be looking down instead of up—of projects, and the new store and our increasing trips across the street—of annual copy, of Homecoming, of those jinxed football games, of stacks and stacks of senior English, of having more stuff to do than we were able to wade through—of the proms, ditch day, the banquet, vespers, and then that special day, GRADUATION.

And even though we'll be leaving soon, and going out into a new world, new friends, and new interests, we'll reserve a spot in our hearts and minds marked, "Reserved for Su-hi Memories Only."

Honor Students

Remarkable brainpower and personality-plus is the mixture that makes these six Sweeties shining examples. First honor students Lois Bridenstine, Betty Jo Robnett, Dave Rusk, and Gladys Shipman all have the enviable distinction of a straight A scholastic record.

Cool, poised **Lois Bridenstine** managed to find a place for church work in her high school schedule. Lively **Betty Jo Robnett** served as Commissioner of Pep and secretary of the student body in her senior year. Playing guard on the football team and holding executive positions in several clubs were the extra-curricular activities in which quiet **Dave Rusk** participated. Always exhibiting a maximum of vivacity and pleasantness was **Gladys Shipman**, who served as editor of the Red and Gray and Commissioner of Publications.

Noteworthy scholars with only two B's apiece on their high school grade transcripts are Rosemary Fulton and Marianne Bellante, second honor students. A talented musician, **Rosemary Fulton** was an indispensable member of the orchestra. As an outstanding member of the speech department **Marianne Bellante** has taken part in various public speaking activities.

We Show Our

With high hopes of discovering some hidden facts about the world in which we live, Su-hi students enter the **Chemistry** classes and find them to be among the most interesting offered in our curriculum. Study of the body, the elements, and the structure of worldly things are all among the problems presented in this course. Chemists of the future are Elsie Hondius, Claire Charland, and Kathleen Parrish. Miss Mantie Montgomery is the instructor.

Biology is another of the scientific studies offered at Sweetwater. Students in these classes learn about plants, animals, and the functions of the body. G. G. Berry and Mrs. Florence Frazer are the instructors.

Students pictured are, **first row:** Ganara Martinez, Iva Lee Kilerease, Joyce Stribling, Stella Miranda. **Second row:** Geraldine Johnson, Betty Letts, Betty Fralick, Belia Ledesma. **Third row:** Juanita King, Carroll Cravens, Jimmy Lee, Georgia Moffatt, Norma Todd, Mary Ellen Gardner. **Fourth row:** Mike Geraci, Earl Holbrook, Jim Holder, Richard Laurence, Steven Delano, Mrs. Frazer, Edna Kincaid.

Academic Side

Office training students, under the excellent teaching of Miss Laurah Hiser, prepare themselves for work in the secretarial field. The basic fundamentals of shorthand, a correct knowledge of how to write a business letter, ways of filing, and the "hows and whys" of mimeographing are among the things included in this course.

Girls pictured are, **front row:** Elizabeth Griffin, Selma Dahlene. **Back row:** Diane Hoaglan, Miss Laurah Hiser, Myrleen Irwin, Rosemarie Powell, Mildred Batrum, Marialice McDonald.

Cooking is the more delectable division of the homemaking department. Girls in the cooking classes learn not only all the secrets of cooking but learn proper table settings, eating etiquette, and how to be charming hostesses as well. Mrs. Mary Berry and Mrs. Ruth Urtassun are instructors for this group.

Girls pictured are, **front row:** Charlotte White, Leota Schwartz, Betty Taylor, Phyllis Madsen, Margaret Mitchell, Eva Hawthorne, Della Mae Miller, Mrs. Ruth Urtassun, Wilma Bowden, Lucy Van Deventer, Herlinda Gonzales. **Second row:** Marilyn Fortner, Grace Aposhian, Katherine Hill, Toni Clark, Tillie Garcia, Felecitas Roybal, Lupe Dela Toba, Virginia Mendoza. **Third row:** Barbara Colburn, Catherine Lambert, Beverly Hansen. **Top row:** Esther Johansen, Juanita King.

Something brand new and something that has everyone up in the air, literally, is the interesting **Theory of Flight** course offered for the first time during the Spring semester. Faculty members Miss Mantie Montgomery, Miss Margaret Ward, Charles Morehouse, and the instructor teach the pupils the basic principles of flying on the ground but join the learning group when the actual flying is done. Wolfe's Air-Park is the scene for the flights.

ACTIVITIES

Hi-Y's Sioux and Zorro

The energetic members of that illustrious **Sioux Hi-Y** are known for their pep and spirit and if there's something brewing around Su-hi, you may be sure that the Sioux Hi-Y will have their fingers in it. Su-hi News

Under the able leadership of efficient Carol Noderer and the beloved Mrs. "B.", the Su-hi News is a flourishing cog in Su-hi's ever-busy activity wheel. The spectacular Christmas issue with the four-page picture section, the four football programs, and a Su-hi News-sponsored assembly were among the activities of this publication.

New page editors for the Spring semester were Virgie Cramer, second news; Carlene Hibbard, alumni; and Virginia Champ, society. The other page editors retained their positions.

Staff

Keeping the Su-hi News out of the red was the task of business manager Gladys Shipman and her staff of assistants, advertising salesmen Geri Fifer and Ginger Sumpter, bookkeeper Harlene Hastings, and bill collector Walter Werner. Able George Gregg, who took over circulation manager for Joanne Andrae after the first quarter, and with Lois Moran, his assistant, were responsible for distributing the paper to the students and alumni. Notable of the business department's handiwork was the Su-hi New's eye-catching advertising.

Choir

Under the talented leadership of instructor Miss Lois Starck, Su-hi's **Choir** was an important and appreciated part of Sweetwater's musical program. In the first year of playing again in the Metropolitan League, Sweetwater finished its season in fifth place. This is not as bad as it sounds, since we lost two games by one point and tied another, and lost to the league champions by only one touchdown.

It was touch and go in every game and thrills were provided every time the ball was in play. The broken field running of Gene Sieben made him a potential touchdown threat. Tony Castro's sensational passing and Jack Jantz's and Dud Runkel's receiving were a deadly combination.

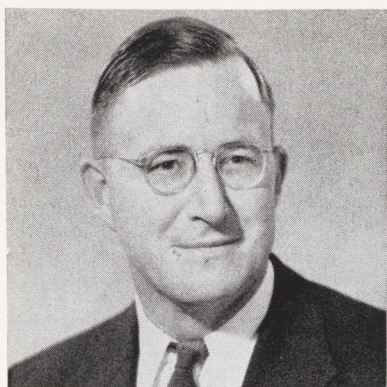

The bruising tackling of Bill Smythe and Darrell Campbell were a big cog in the Devils' gridiron machine. Furthermore, on offense our two junior fullbacks rendered many an opposing lineman aches and bruises.

With an almost complete veteran line Su-hi's weakness was expected to be the back-field, but thoughts along this line were forgotten when the "savvy" of pilot Graciano and the drive of Staffen were witnessed.

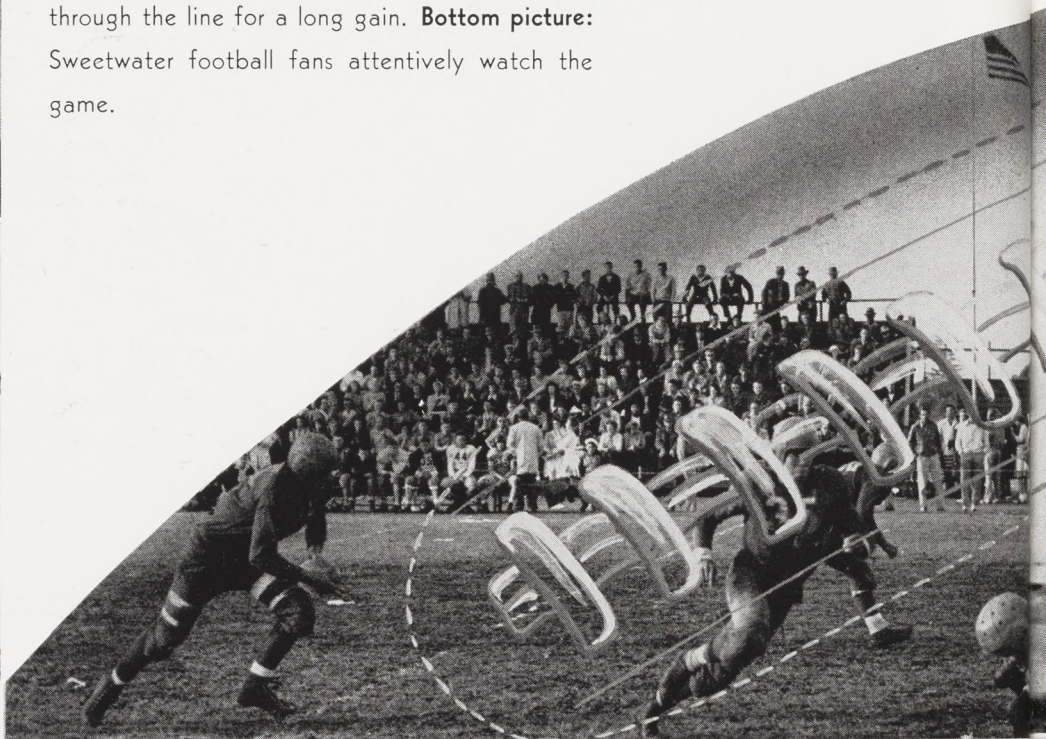

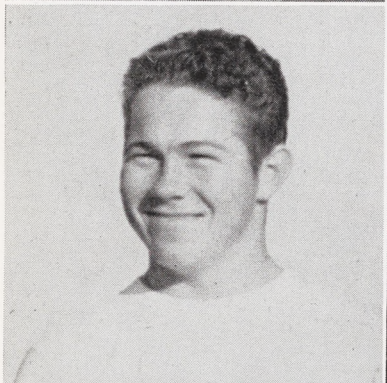

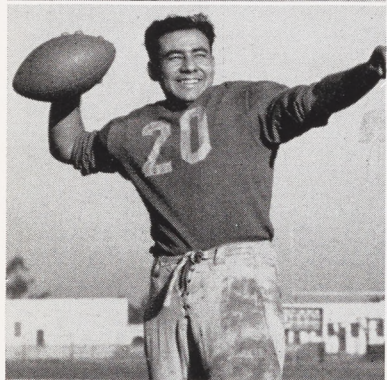

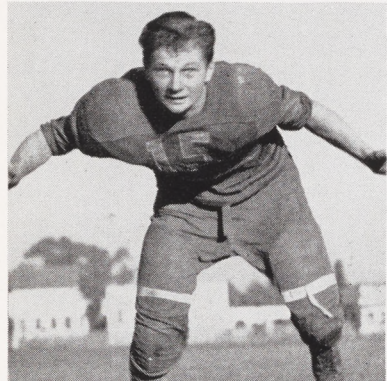

The juniors on this year's team are the hopes of next year, and from what they showed this past season, there is reason for high hopes.

This year every lineman was a senior, and played his last game against Point Loma. Although losing most of the games, the playing of the team left a warm respect in the hearts of all who witnessed our games throughout the season.

With the first year of Sophomore football in history, the Bishop coached tenth graders met stiff opposition in competing with junior varsities of tenth, eleventh, and twelfth graders. Led by the passing of Joe Reeves, the receiving of George Staffen and the all around good playing of Earl Holbrook, the "fighting eleven" came up with some very fine showings. The way some of these scrappers fought proves that the varsity should have a great team in 1947. Many coaches praised the Bishopmen for their fine spirit and play.

SONGLEADERS: Helen Powell, Joan Curry, Jo Deane Driscoll, Joy Curry.

Although too often our football games ended in a heartbreaking one-point defeat, the Red Devils showed a spirit and pep that would be difficult to equal. At the end of a game Devils could be picked out of the crowd as the ones with the valiant hoarse croaks. Our songleaders, shapely Helen, Jo Deane, and the Currys, did a first-rate job of building morale and spirit. Connoisseurs of cheer Gladys, Rosa, Betty, and Mary Ann led Sweeties in yells that could be heard for miles.

CHEERLEADERS: Betty Stewart, Mary Ann Hall, Rosa Heinrich, Gladys Shipman.

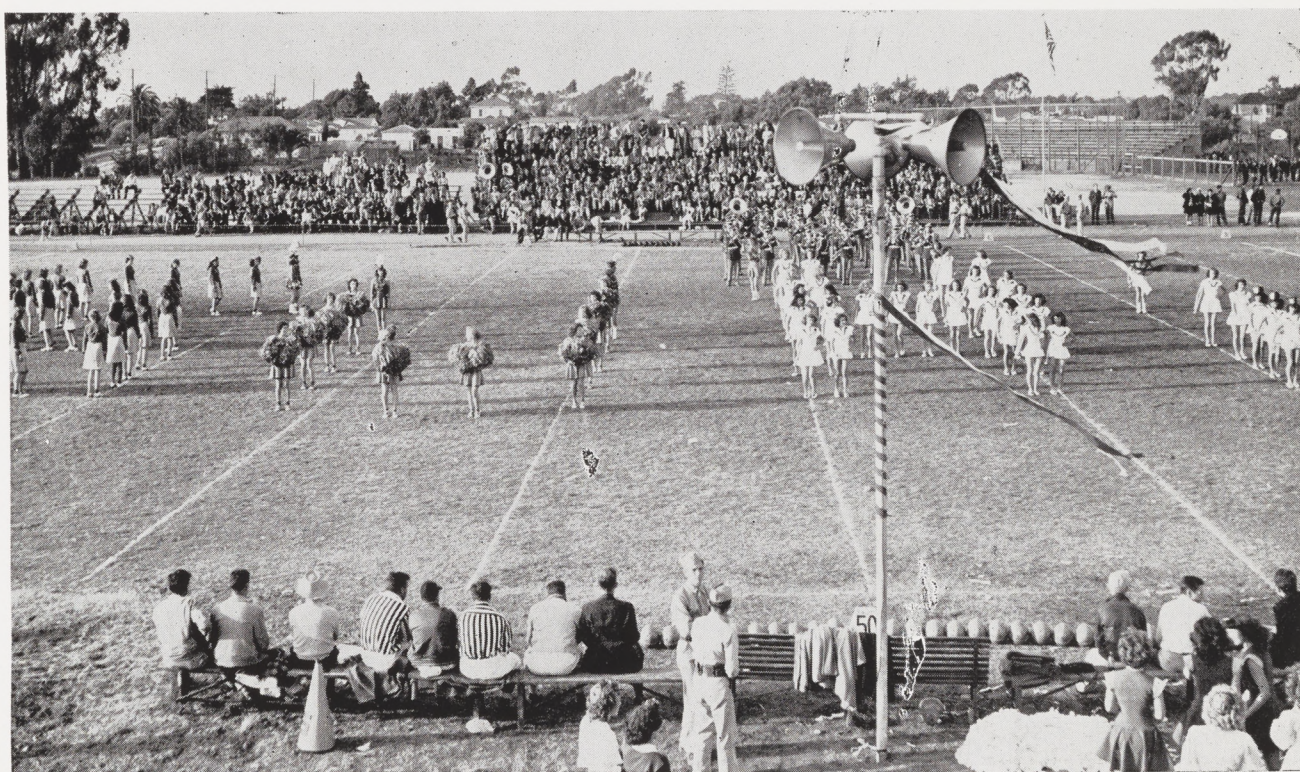

Leaders

An innovation (and a very nice one) to the football scene is the fine set of sophomore pep leaders. Song-leaders, Joyce, Adele, and Peggy did an excellent job of supplying spirited music at the sophomore games. Making a good-looking vivacious trio were Betty, Harold, and Pat, who were responsible for producing those loud and lusty yells. The noise they brought forth was thunderous.

SOPHOMORE CHEER AND SONGLEADERS: Betty Letts, Harold Stewart, Pat Cleveland, Joyce Cody, Adele Ramos, Peggy Madison.

Even though the 1947 Red Devil basketball squad's record was not the most impressive one, our team was one of the hardest fighting squads in the Metro League. Nearly every game we lost was only by a few points; moreover, the hustling five out-scored nearly all of its opponents in the second period.

With no returning varsity basketball lettermen, prospects were none too bright at the season's start. To add to Coach Cox's troubles, starting forward Jim Goss broke his arm shortly before the first game. By the time the first game with Oceanside had rolled around, however, Sweetwater had developed into a scrapping outfit. High scorer on the team was Jim Hobel, a Bee letterman in 1946, who also was chosen on the all-league second team. Other members of the team winning honorable league mention were "Hap" Stephens, Jim Goss, and Dudley Runkle. Frank Graciano, Billy Evans, Fred Stafford, Bill Haubert, and James Donahue also deserve much credit for their fine team play.

"Our Boys"—The Bees

"The Bees brought home the honey." These were the words of many basketball fans as the talent-filled Bee squad rolled to the Metro League championship. To Coach Glen Warren and all of the Bee team members go Su-hi's highest praises for bringing to the school its first Bee championship in many years.

Among the teams that fell before sharp-shooting Artiaga and his hard-fighting teammates were Grossmont and La Jolla. The last game with Point Loma, however, caused Coach Warren's hidden smile to vanish. The fast-breaking, high-scoring Sweeties failed to get started and suffered their first defeat of the year. The defeat enabled Grossmont to take a part of the championship.

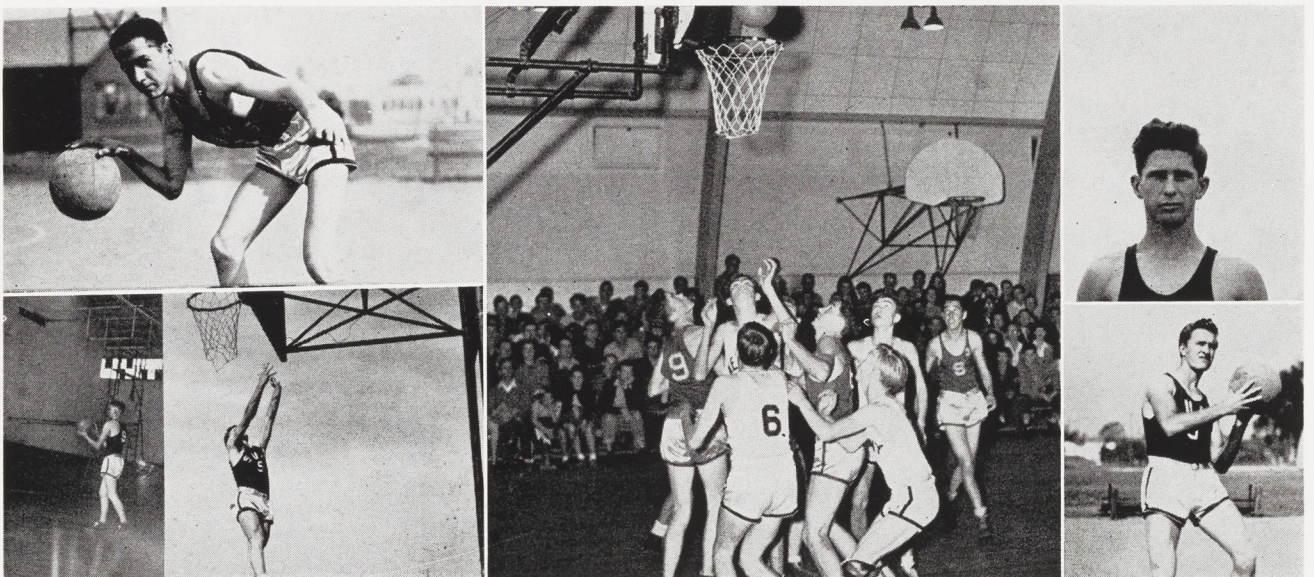

At the Invitational Tournament at Santa Monica, the broken-hearted Bees lost to Redondo in the first round.

Officials, opposing coaches, and fans alike acclaimed the Devils the most smooth-working, high-spirited, and clean-playing bunch of lads they had ever seen.

Trini Artiaga, high scorer of the league, honorary captain of the mythical all-league team, and most valuable player at Sweetwater, put forth his all in every game. Captain Jimmy Miller was also given a berth on this mythical five. Bob Myers and Buddy Dumas earned positions on the second all-league team. Guard Wylie Huffman would have been right up with his teammates had he not sprained his ankle, which disabled him for the remainder of the season.

All of Sweetwater praises these boys and Coach Warren for their splendid work. This Bee squad is a team to be remembered for a long while.

LLOYD BISHOP
Coach

Considering the fact that this year was the first year for sophomore sports, we can all be proud of the good basketball crew developed in 1947. Although these basketball teams lost many games, a fine group of hustling, experienced, and able players will be provided for next year's varsity squads.

A great deal of credit should be given to the sophomore basketball coach, Lloyd Bishop, for his splendid work with the sophomore basketball teams. Our hopes can well be high for an outstanding varsity team next year, with the return of such players as Terry Shaw, Earl Staffen, Dick Steed, Richard Day, Earl Holbrook, Bill Haskins, Larry Blocker, and Clarence Allen.

CEE SOPHOMORE BASKETBALL: Front row: Frank Rodriguez, Simon Robles, John Little, Ted Chandler, Bud Collier. Back row: Randy Springer, Dick Borland, Bobby Gonzalez, Dick Bunyard, Jack Bradfield, Jeremiah Harvey.

Along the Cinder Path

A TRACK: Bottom row: Guy Dumas, Gene Sieben, George Ptacnik, Carl Stanzione, Kenny Burns. Top row: Bill Haubert, Alvin Buby, Dave Phillips, Don Rice, John McCartt, Bill Ellis, Bob Hanna, Marvin Anderson, Mgr. Allen Hall.

Although Coach Cox's A track team was not rated as a power to take the league, they gave the opposition stiff competition. With such cindermen as Cy Holmes, Larry Hardy, and John McCartt, few opposing tracksters could win the distance races, while in the dashes, Gene Sieben, Bill Ellis, and Charles McGregor won their share of the events. In the field events, Don Rice and Buddy Dumas teamed to make a strong pole vault department. The high jumpers put on a good show with Fred Stafford and Revy Wharton and Junior Booker presented a fine showing in the broad jump.

The Bee and Cee cinder crews were led by Don Taylor, Fentriss Neal, Jimmy Miller, J. D. Ray, Earl Staffen, Jeremiah Harvey, and Dick Borland.

BEE TRACK: Front row: Don Taylor, James Widick, Al Robles. Second row: J. D. Ray, Don Rice, Elmer Harpenau. Top row: Alan Hobel, Frank Pyle, Jim Miller, Buddy Dumas.

CEE TRACK: Front row: Richard Baschky, Randy Springer, Bobby Jones, Douglas Denham, Howard Gutzmer. Top row: Alan Torguson, John Little, Frank Rodriguez, Earl Staffen, Dick Borland, Jeremiah Harvey, Ted Chandler.

MISS MARGARET WARD

MISS HAZEL MARTENS

Growing to be one of the largest clubs in school, the G.A.A. offers many activities for athletic Su-hi gals. Attendance at one activity for ten times gives 15 points toward a letter and the waited-for white and blue sweater.

The various things which the girls may do are: horseback riding with Miss Hazel Martens as leader; swimming at the Y where life-saving and diving are included in the course; bowling, tennis, badminton, golf, ice-skating and roller skating.

A semi-annual banquet is the big social gathering for the semester. Girls look forward to the awards made at this time to the winners. G.A.A. pins are awarded to those lucky few who have earned 300 points and are outstanding sportswomen.

Those members of G.A.A. who have not yet earned their letters are, **front row:** Anne Seratti, Elaine McClure, Joyce Simmons. **Second row:** Donna Gross, Almira Stanzione, Jean Spate, Margaret Lewis. **Back row:** Pat Spaulding, Anna Helbig, Patty Graves, Glenna Dahms, Neva Loffmark, Mary Jane Mann, Edith Hunt, Violet Ferguson, Martha Ives, Betty Mocney.
